Subject: Top Investors in Sentry - stand alone INST clients

I put a quick list together of our top 10 institutional clients in Sentry (pension, insurance, govt., etc) as of June 30th. I think you will find in most cases there is regular correspondence with the agent and/or the Bermuda Team. In some cases, there is definitely some follow up to initiate. We need to be sensitive with Hashem's relationships, MT maybe you can check with Andres? I've indicated where I know of regular updates or recent visits, maybe Amit can put in additional information (Richie, too, since many are your clients). I will do the same for top platforms.
